Tambah lokasi absen

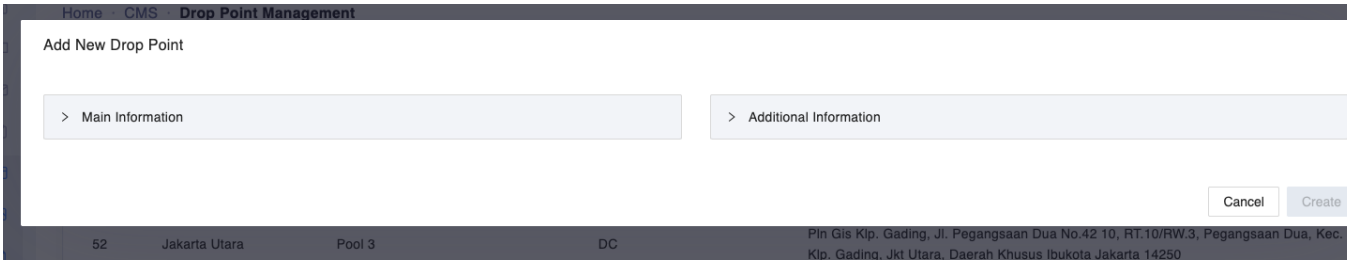

1. Klik menu CMS > Drop Point Management

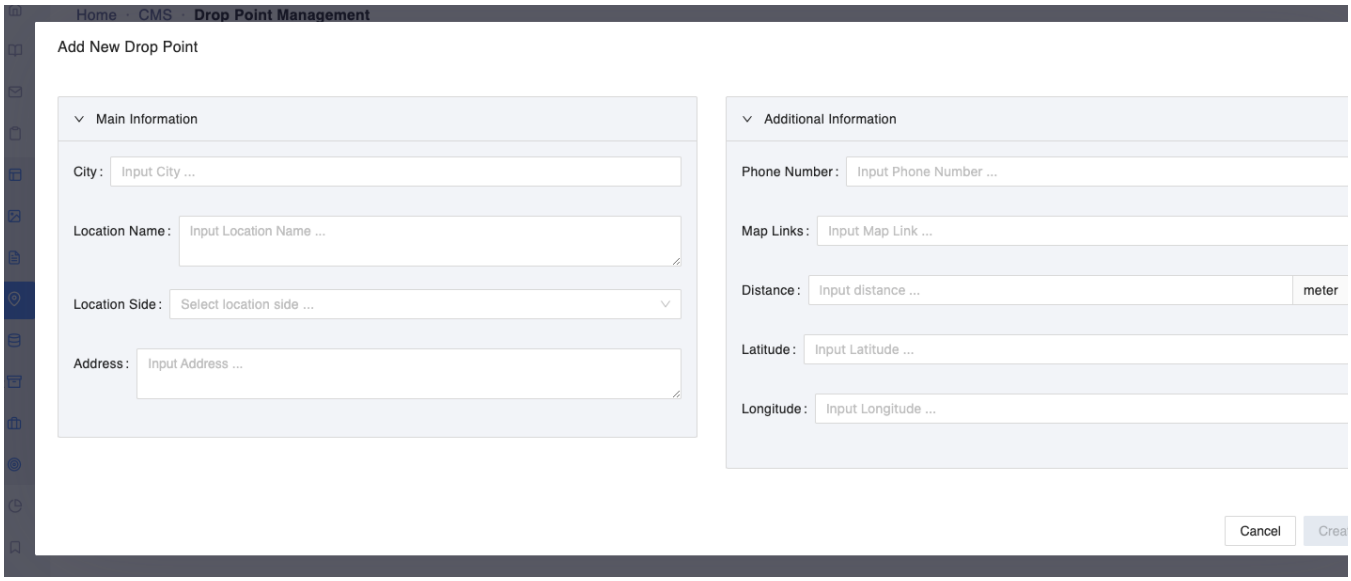

2. Klik tombol Add new drop point

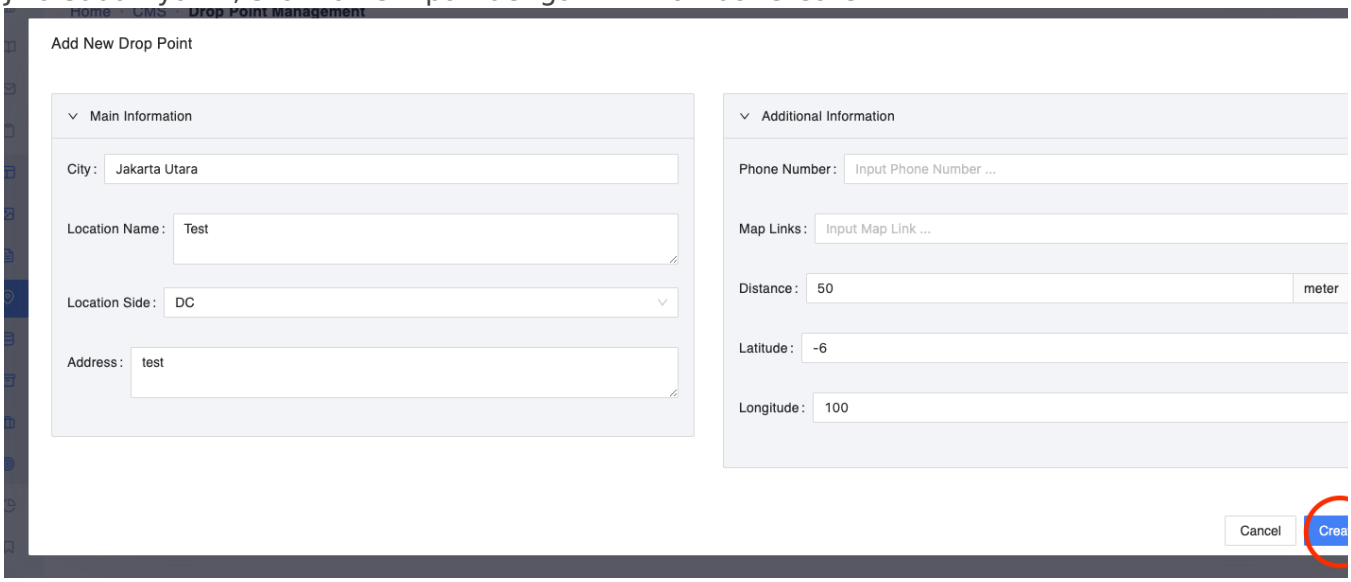

3. Kemudian muncul dialog untuk mengisi tempat. Klik Main information dan Additional Information untuk melihat form

4. Silahkan isi form yang diperlukan:
   - City
   - Location name
   - Location Side
   - Address
   - Distance (Rekomendasi 50 meter)
   - Latitude
   - Longitude
5. Jika sudah yakin, silahkan simpan dengan klik tombol Create
