

Create Account

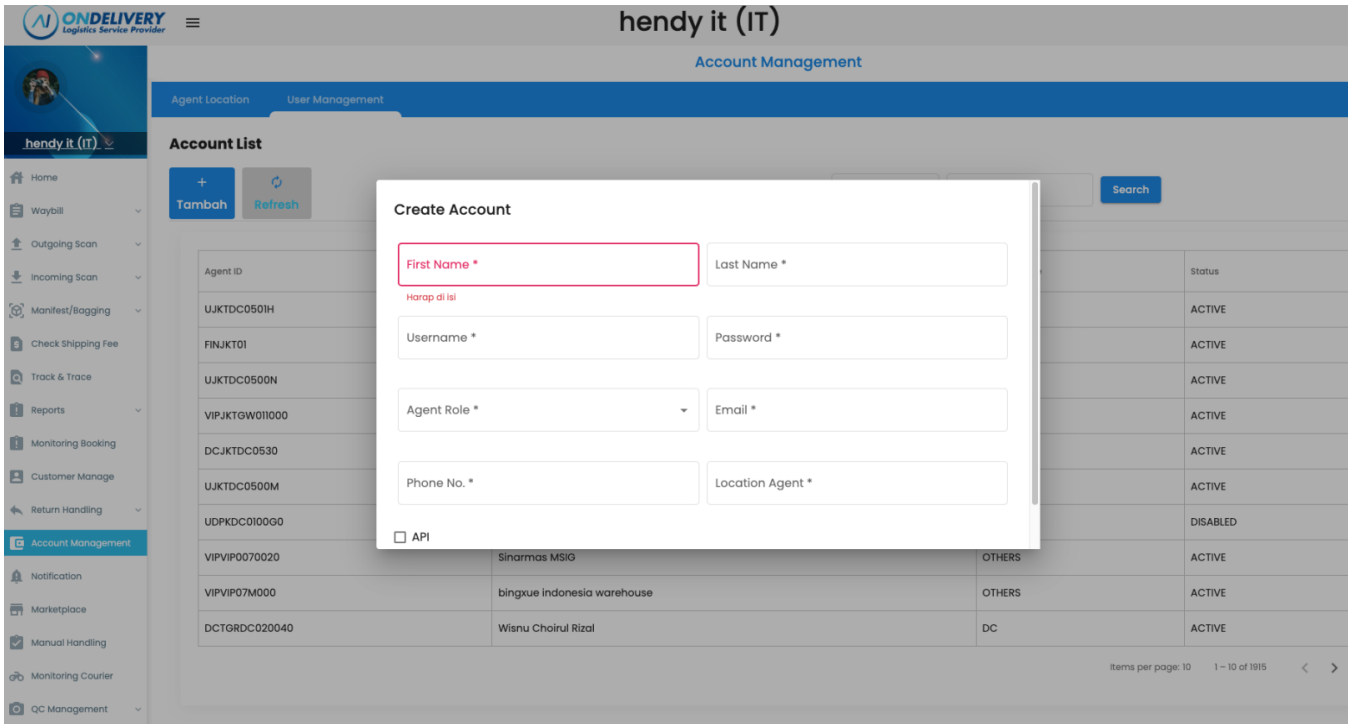

1. Untuk membuat akun osas, silahkan ke menu sidebar sebelah kiri, klik Account Management, kemudian pada halaman Account management, klik tab User Management

The screenshot shows the ONDELIVERY web application interface. The top header includes the ONDELIVERY logo and the user name 'hendy it (IT)'. Below the header, there are two tabs: 'Agent Location' and 'User Management', with 'User Management' being the active tab. On the left sidebar, 'Account Management' is highlighted. The main content area displays an 'Account List' table with columns for Agent ID, Agent Name, Location Side, and Status. The table contains 10 rows of account data. Below the table, there is a pagination control showing 'Items per page: 10' and '1 - 10 of 1915'.

2. Klik tombol *Tambah* untuk menambah akun lalu akan muncul dialog berisi form untuk pembuatan akun

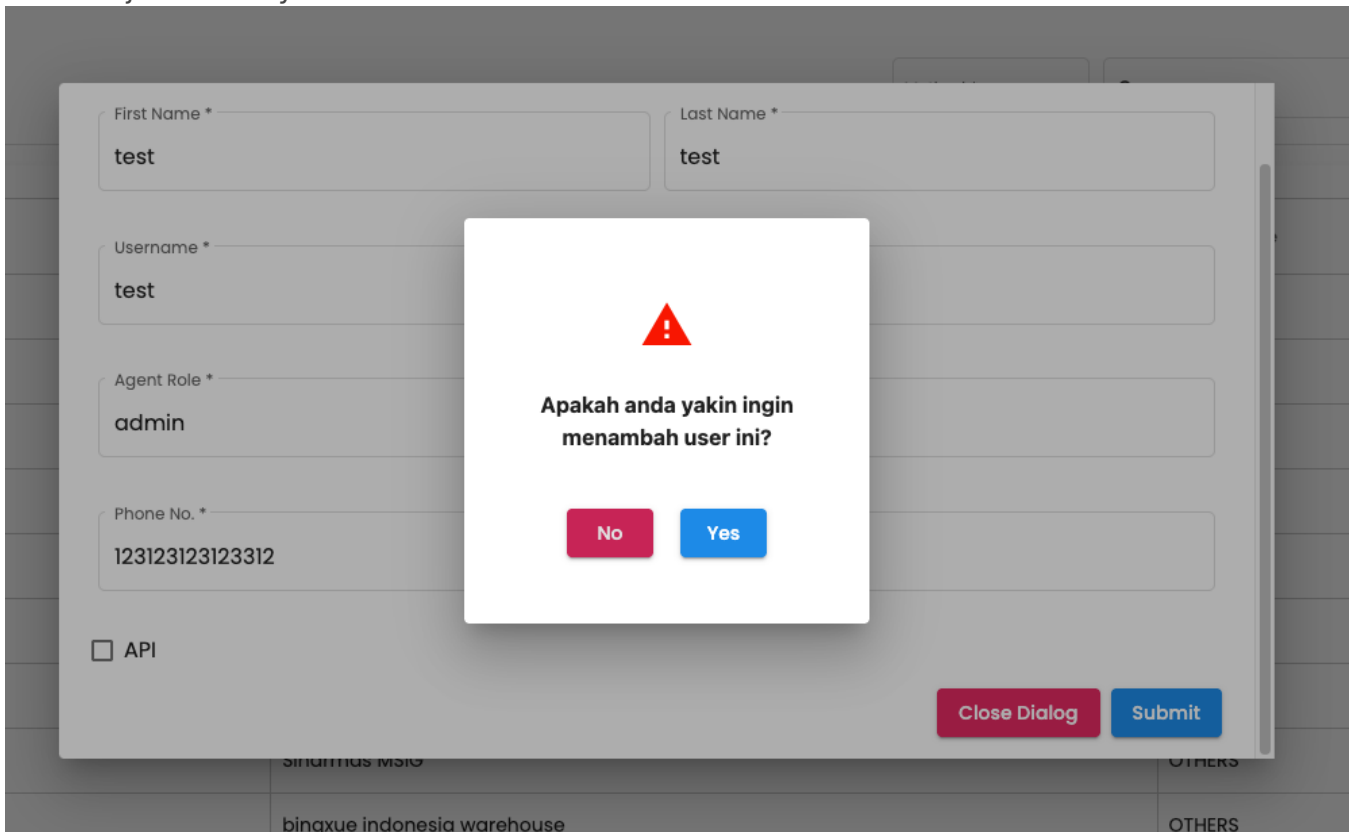

This screenshot is identical to the one above, showing the ONDELIVERY Account Management interface. The 'User Management' tab is active, and the 'Account List' table is visible. The 'Tambah' button, located above the table, is circled in red to indicate it is the next step in the process.

3. Isi form-form yang diperlukan untuk pemakaian OSAS

- First name
- Last name
- Username
- Password
- Agent role (catatan: setiap role mempunyai akses menu yang berbeda)
- email
- Phone no.
- location agent (tempat location agent yang akan dialokasikan ke calon user)
- API (jika calon user ingin akses API OSAS, centang pilihan API)

4. Klik YES jika sudah yakin

The image shows a user registration form with a confirmation dialog box overlaid. The form fields are:

- First Name *: test
- Last Name *: test
- Username *: test
- Agent Role *: admin
- Phone No. *: 123123123123312
- API

The confirmation dialog box contains a red warning icon and the text: "Apakah anda yakin ingin menambah user ini?". It has two buttons: "No" (red) and "Yes" (blue). At the bottom right of the form, there are two buttons: "Close Dialog" (red) and "Submit" (blue).
